VISA REQUIREMENTS

- Visa arrangement is participant's responsibility.
- Participants from the US and Canada, most of Europe and South East Asia may enter Thailand without a visa. The countries that can enter Thailand without a visa are listed at: <http://www.mfa.go.th/main/contents/files/services-20150120-100712-551809.pdf>
- Participants from AFRICA (other than South Africa and Ethiopia), Myanmar, Nepal and Pakistan will need to obtain a VISA IN ADVANCE from the Thai Embassy designated for their COUNTRY OF RESIDENCE. This means that if you are resident outside your own country, you will need to apply to the Thai Embassy designated for the country where you are resident. The conference organizers can provide guidance and documents to help you get a visa, any visa assistance needed, please e-mail to icomos2019@gmail.com with the subject line **'Thai Visa for iCOMOS 2019'** and attach a scan of your passport and arrival and departure dates. Please give your country of official residence so that CMU can prepare the right documents and send them to the right embassy. You will also require a passport valid for at least 6 months before your travel dates, photos and a copy of your air ticket or electronic ticket. Please contact the Royal Thai Consulate or Embassy in your country to confirm the procedure. Please do this immediately.
- For further information about visa to Thailand, please visit following website. <http://www.mfa.go.th/main/en/services/4908/15405-General-information.html>

MEALS

- Lunch and refreshments will be provided during the conference period of 11-14 February, 2019 at the cost of the organizer.
- Welcome dinner will be provided for all participants on February 11, 2019.

EXCHANGE RATE

- The current exchanges rate is approximately USD 1 = Baht 32 (+/-)
It is advisable that you change some Thai Baht at the international arrival terminal for your petty cash pocket money.

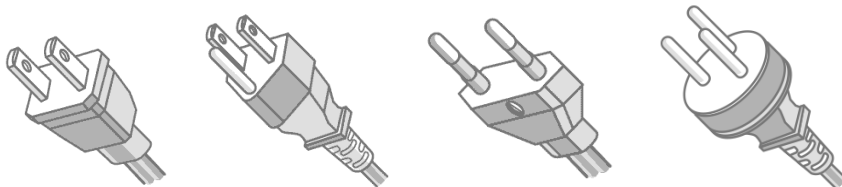

WEATHER

- The weather in Chiang Mai in February is pleasant (average temperature 16-30°C). Chiang Mai is located in the northern part of Thailand bordering Myanmar and is well known as one of best places in Thailand.

ELECTRICITY

Thailand uses 220V AC electricity. Power outlets most commonly feature two-prong round or flat sockets.

The following plugs are used:
